

ARMC Neurology Residency Program

Core Faculty

Andres Gonzalez, MD

Andres Gonzalez, MD, is the Chief Medical Officer and Clinical Professor of Neurology at the California University of Science and Medicine. Dr. Gonzalez has over twenty-three years of experience in Surgical Neurophysiology, Brain Mapping, and Intraoperative Neurophysiological Monitoring. He holds dual board certification from the American Board of Psychiatry and Neurology and the American Board of Clinical Neurophysiology. Dr. Gonzalez's awards include Top Doctors (Los Angeles) Neurology in Pasadena Magazine, Resident of the Year at Georgetown University Hospital, and Teacher of the Year in the Department of Neurology at USC Keck School of Medicine. Dr. Gonzalez has a master's in medical management from the University of Southern California.

Education

- **Board Certifications**
 - Neurology
- **Fellowship**
 - University of California Los Angeles, Clinical Neurophysiology Intraoperative Monitoring, Neurology, 2006
- **Fellowship**
 - Harvard Medical School, Boston, Clinical Neurophysiology Research Intraoperative Monitoring, 1999
- **Residency**
 - Georgetown University Hospital, Washington DC, Neurology, 2005
- **Internship**
 - Cleveland Clinic Foundation, Cleveland, Internal Medicine, 2002
- **Medical School**
 - Escuela Colombiana de Medicina, Bogota

Anirudh Gupta, MD, PhD

Dr. Gupta is a clinical neurophysiologist with extensive experience in neurology, currently working as a neurohospitalist. He has completed Residency and Fellowship programs in Clinical Neurophysiology and has been involved in both clinical practice and teaching. Dr. Gupta has a strong academic background in neurophysiology and molecular biology, and he provides guidance and mentorship to neurology residents. His work encompasses inpatient and outpatient neurology services, with recent practice experience in Ventura and Long Beach, CA.

Education

- **Board Certifications**
 - Clinical Neurophysiology, ABPN, 2021
 - Neurology, ABPN, 2019
- **Fellowship**
 - Clinical Neurophysiology, Division of Neuromuscular Diseases, Ohio State University Wexner Medical Center, 2020
- **Residency**
 - Adult Neurology, Ohio State University Wexner Medical Center, 2019
 - Adult Neurology, UT Southwestern Medical Center, 2016
 - Adult Neurorehabilitation, Kliniken-Valens, Switzerland, 2014
- **Medical School**
 - University of Marburg, School of Medicine, Germany, 2009

Dhrupad Joshi, DO

Dr. Joshi is an Assistant Professor in the Department of Neurology at CUSM. He is a clinical neurophysiologist and joined the Program after completing Residency and Fellowship programs. Dr. Joshi provides direct clinical supervision in the clinical neurophysiology rotation and in the outpatient subspecialty clinics rotations in epilepsy and neuromuscular disease at ARMC, teaching and research opportunities for the residents.

Education

- **Board Certifications**
 - Neurology
- **Fellowship**
 - UCLA Harbor, Torrance, Clinical Neurophysiology, 2019
- **Residency**
 - UCLA Harbor, Torrance, Neurology, 2018
- **Internship**
 - Woodhull Medical and Health Medical Center New York University, New York, Preliminary Internal Medicine, 2015
- **Medical School**
 - Touro University College of Osteopathic Medicine, Henderson, DO, 2014

Farrukh Khan, MD

Dr. Khan is an Assistant Professor in the Department of Neurology at CUSM. He is an experienced general neurologist and neuro-hospitalist and joined the Program after a long-standing career in private neurology. Dr. Khan offers direct clinical supervision in the inpatient neurology rotation, teaching and research opportunities for the residents.
