(Email for non-urgent transfer requests or escalations)

WHY Transfer to ARMC?

Arrowhead Regional Medical Center (ARMC) is a tertiary-care, university-affiliated medical center located at 400 North Pepper Avenue in Colton, California.

- Level I Trauma Center
- Comprehensive Stroke Center
- Burn Center
- Cardiac Services including Cardiothoracic Surgery
- Neurosurgery and Neurology
- Advanced Critical Care Services
- Specialty Surgical Care
- Maternal and Child Services

**To help expedite your request,
please fax the following information
to 1-909-580-3831:**

- Patient demographics
- Diagnosis or reason for transfer
- Level of care or specialty requested
- Referring physician information
- Pertinent clinical information

24/7 Transfer Center Coordination

The ARMC Transfer Center serves as a single point of contact for hospitals and physicians requesting patient transfers for specialty or higher-level care. Our team coordinates physician acceptance and bed placement to facilitate timely access to ARMC's advanced services.
