NOTES:		M	IP

OTHER COLLEGES / AP	Completion and certification of IGETC will permit a student to transfer from Crafton Hills College to a campus in the UC or CSU system without the need, after transfer, to take additional lower-division general education courses. All courses must be completed with a grade of "C" or better. CERTIFICATION: Current IGETC standards allow for full or partial certification . Partial certification is defined as completing all but two courses from any area except those listed in Areas 1 and 2. Students should request IGETC certification with Admissions & Records when requesting their final transcripts to be sent to the UC or CSU campus of their choice during the final term before transfer. CAUTION: IGETC may not be the best option for transfer, particularly for majors such as Biology, Chemistry, Physics, Computer Science, Engineering and Math. Consult with a counselor for more details. **Crafton Hills College
2020-2021 CALIFORNIA STATE UNIVERSITY (CSU) GENERAL EDUCATION REQUIREMENTS**

OTHER COLLEGES / AP	<p>Completion and certification will permit a student to transfer from Crafton Hills College to a campus in the CSU system without the need, after transfer, to take additional lower-division general education courses. Students are required to complete a minimum of 39 units in areas A - E for full certification of lower division general education requirements. Students should request CSUGE certification with Admissions & Records when requesting their final transcripts to be sent to the CSU campus of their choice during the final term before transfer. This pattern of general education IS NOT applicable to any campus for the University of California (UC). If your goal is to complete an AS-T in Biology or Chemistry, please see a counselor for more information on CSUGE for STEM.</p> <p style="text-align: center;"> H = Honors course available <u>Underlined</u> = Lab course *Courses appearing in multiple areas below may only be counted in one area.
