

Arrowhead Regional Medical Center A.R.M.C. Supplier Diversity Program

A. Actively seek to attract qualified diverse businesses to participate in the procurement process to become a part of the supply chain pool of potential vendors to the hospital.

R. Review each potential vendor for appropriate criteria through the prescribed County of San Bernardino competitive bidding and procurement process in accordance with Local, State, and Federal guidelines.

M. Mentor and support supplier diversity within our community by assisting all businesses in maneuvering through the procurement process

C. Commit to increasing equal opportunities for diverse suppliers, minority-owned, women-owned, veteran-owned (including retired), LGBT, and socially and economically disadvantaged business enterprises to participate in the competitive bidding and procurement process.

Supplier Diversity Policy Statement

Arrowhead Regional Medical Center believes in the importance of having a supplier base that reflects the rich diversity of our community and patients. We are committed to attracting all qualified diverse business enterprises and providing equal opportunities to compete and participate in the sourcing and procurement process for products and services, subject to all applicable laws. We will facilitate tangible contract opportunities that will mutually add value to our hospital, our stakeholders, and the businesses that participate in our program.
